

The image displays four line charts comparing actual performance (ФАКТ) against planned performance (План) over time, from May 1st to May 31st.

Показы (Views): The chart shows the number of views. The 'План' (Plan) line is a dashed blue line, and the 'ФАКТ' (Actual) line is a solid red line. The 'ФАКТ' line follows the 'План' line closely until around May 24th, where it drops significantly below the plan.

Просмотры (Views): The chart shows the number of views. The 'План' (Plan) line is a dashed blue line, and the 'ФАКТ' (Actual) line is a solid red line. The 'ФАКТ' line follows the 'План' line closely until around May 24th, where it drops significantly below the plan.

Контакты (Contacts): The chart shows the number of contacts. The 'План' (Plan) line is a dashed blue line, and the 'ФАКТ' (Actual) line is a solid red line. The 'ФАКТ' line follows the 'План' line closely until around May 24th, where it drops significantly below the plan.

Показы (Views) and Бюджет (Budget): The chart shows the number of views (left Y-axis, 0.0 to 12500.0) and the budget (right Y-axis, 0 to 20000). The 'Показы' (Views) line is a dashed blue line, and the 'Бюджет' (Budget) line is a solid green line. The 'Бюджет' line shows a significant peak around May 24th, reaching 11364.0, while the 'Показы' line remains relatively low, peaking at 11700.0.
