

The top row contains three line charts comparing 'ФАКТ' (Actual) and 'План' (Plan) data over time (05.04 to 26.04).

- Показы (Views):** The Y-axis ranges from 0 to 60,000. The 'ФАКТ' line (red) is consistently above the 'План' line (blue), indicating actual views exceeded the plan.
- Просмотры (Views):** The Y-axis ranges from 0 to 7,500. The 'ФАКТ' line (red) is consistently above the 'План' line (blue), indicating actual views exceeded the plan.
- Контакты (Contacts):** The Y-axis ranges from 0 to 150. The 'ФАКТ' line (red) is consistently above the 'План' line (blue), indicating actual contacts exceeded the plan.

The bottom chart is a combined bar and line chart showing 'Показы' (Views) and 'Бюджет' (Budget) over time (01.04 to 30.04).

- Показы (Views):** Represented by a blue line with data points labeled. The Y-axis ranges from 0,0 to 2,000,0.
- Бюджет (Budget):** Represented by green bars. The Y-axis ranges from 0,0 to 2,000,0.

The chart shows a general upward trend in both metrics, with the budget peaking around 2,000,0 in late April and the views peaking around 1,500,0 in late April.
